Abstract: The Department of Education (the Department) is seeking to renew OMB control number 1845-0147 for the collection of URLs hosting institutional contracts and contract data relating to campus banking agreements. The Department has created a Cash Management Contract electronic form to allow institutions to report their contract and contract URL to the Department. The Department has also created a central repository for the information provided by the institution that includes the contract data and the web addresses that is publicly available for research and comparison purposes. Both of these are located on studentaid.gov. The database allows interested parties, such as students, families, press, institutions, and researchers to easily access and compare banking agreements available at different institutions.
